So all alone with the cats am I. It's great to have the whole house to oneself! I gave them their breakfast (whole can flaked fish) so colored maid would not have to come up so early.

Weather Today was very sunny. Snow all around Virginia but not any here yet. 'Tis said it is nice here until Xmas. I put UNITED STATES MAIL on huge steamer side today in gold leaf + black outline — will take all day tomorrow to finish. Wrote Bill letter yesterday. Love Karl
